Sir:

**STATEMENT OF SUBSTANCE OF INTERVIEW**

A personal interview with Applicant's representatives Thomas H. Martin and David M. Kogan and Primary Patent Examiner Andrew Y. Koenig and Examiner Sumaiya A. Chowdhury was conducted on August 23, 2007.

Claim 1 was discussed. The prior art of record Krapf and Kikinis were discussed. Applicant and the Examiners discussed the invention with respect to interrupting the delivery of content to the client application after the selection of interactive content. It was agreed that Applicant would file a formal amendment that includes claim language directed to the client application as discussed. The Examiner agreed that the discussed amendment to the claims appears to overcome the Krapf and Kikinis references.

It is requested that this document be made of record in the above-identified application.

Respectfully submitted,
